Torrey Town Hall 75 E 100 No
6:00 pm

Present Mayor Adus Dorsey II

Council Members Present

Curtis Cook
Janet Hansen
Jennifer Howe
Ty Markham

Absent

Welcome: Mayor Pro Tem Curtis Cook welcomed the people and called the meeting of February 13, 2013 to order at 6:00 pm. Mayor Cook stated that this meeting was the regular monthly meeting. A motion was made by Jen to accept the January 10, 2013 minutes as read seconded by Janet. All council members voted in favor. Mayor Dorsey called to say he would be late and start the meeting so Councilmember Curtis Cook was acting as Mayor Pro Tem

Financial Report: Colleen Dudleston presented the bills for the month of January that were paid and presented a list of those bills that are still outstanding. Several bills in question were: South Central, Best Western Hotel, and Jorgenson Honda, Colleen was able to clear up any concerns that the council had about these bills. She gave each council member a report of their departments. She gave a cash summary of all accounts. We have approximately \$412 thousand left of the water bond project. The project has been put on hold until the weather warms up. Colleen said because there is a completion date for the water project it should end on schedule. Janet reported that a sprinkler pipe at the Hansen's place had been run over and smashed and they would like it replaced. Janet and Fred would like Jacksons to be notified so they can take the necessary steps to replace the line.

Councilmember Janet Hansen wondered if the town could invest their money in something in a something that will make some interest instead of the CDs and savings account the town has. Some discussion was held on that and Colleen will check into that.

Park Janet Hansen: Nothing is happening at the park. Chad will be oiling the tables at the pavilion next week. Janet said we need to remove 2 of the flowing pears because they are damaged. We will also need a stump grinder to grind the two trees that the tree trimmers took out. Two Fremont Cottonwoods will be planted to replace them. The Tree board met and decided to plant trees in the Cemetery along the old existing ditch. This would hide some of the mess on the other side. We also will be planting some Big Tooth Maple along the canal by the church. This will add some color to the side streets. Trees will also be planted on 3rd West. All of trees will be watered with Sandcreek water. Colleen and Janet will write the grant for the trees which is due on March 1 2013. Janet asked the Mayor to take the pictures of the sites where the tree will be planted. On May 3, Ross Chambless from Tree Utah will give a demonstration on how to plant the trees the town is planting. Volunteers will be needed and Janet hopes people and families will come out to help with the planting. Because this is a matching grant, volunteers are very much needed to help match with the \$1500.00 potion of the grant. An Arbor Day event will also be held on that day. She asked that all council members to attend.

Roads and Water Curtis Cook: Jackson will resume work on the water project when the weather is warmer

Cemetery Jennifer Howe: Jen would like to get Tim Pote started on clearing out the willows around the cemetery and she would like it measured for a fence. She also asked if the office would place an article in the newsletter, about the Color Country Animal Spay and Neuter Program. They will be doing a presentation on Feb. 19th 2013 at the commissioner meeting. She also asked if the town would be willing to waive the fee for the Apple Days booth. The council agreed to do that.

Ty Markham was moved to later in the meeting.

Mayor Report

The town has purchased a smaller generator that is more mobile.

The Mayor gave an update on Tour Utah. He said Scott and Tina Anderson will help with this project. Mayor attended a symposium for Tour Utah: the finish line will be at the Big Apple Wednesday the 6th of August. The town will provide the space for the expo.

The Town has received the "Community of the Year" from the Society of Arboriculture of Utah for the commitment the town has made to keep the trees growing along Main Street. This was the first time a rural town has received this award.

The Mayor attended the local official's day in Salt Lake sponsored by the League of Cities. Mayor said he enjoyed the opportunity to meet with our political officials.

The Texaco Station will be leased for a year by the county for the Travel Council and Forest Service.

Dan Summers was representing the Haveys in asking for a water permit. He presented the floor plans of their single family dwelling that is located in the Harward and Rees Subdivision to the council members for their approval. It has 1600 sq. ft. on the main floor. The council asked if there were any out buildings. A motion was made by Curtis Cook to ok a water permit to Haveys and it was seconded by Councilmember Jennifer Howe. All councilmembers were in favor. A note was made that the first water payment will be due on the first of March. Permission papers were signed so a building permit could be obtained.

Curtis cook made motion to give Christine Austin a business license for a sunless tanning Business. It was seconded by Janet Hansen.

Ty Markham Planning and Zoning. The names for the new Planning and Zoning committee were presented to the council. They were:

Janae Winder
Anna Omps
Chip Ward
Guy Tal
Jeff Pace
Pearl Stewart
Leigh Vonder Esch.

Ty Markham made a motion to accept the names for the new council and it was seconded by Curtis Cook. All council members approved them. The Mayor asked the town clerk to send a letter to each one welcoming them to the committee.

Discussion was heard as to when the regular meeting should be held and it was determined the committee will decide and set up their organization.

Discussion was heard on accepting Janet and Fred Hansen's Road. Curtis talked to Ted Taylor (former road supervisor) and he said the road should be 66 feet 33 from center. The road should have 4-6 inches of gravel. Janet said they would see if it is something they would be able to do. Janet asked the town to vote on dedicating their water line to the town. A motion was made to accept the water line of the Hansen Subdivision and dedicate it to the town by Jennifer Howe. It was seconded by Curtis Cook and all council members were in favor.

The Bike Path through Torrey is progressing. It has been determined that the south side of the road be extended or widened for a bike path. There would need to be an Environmental impact study before the actual path could be started.

Mayor talked to the sheriff about getting the solar speed limit signs to help with the speed on Torrey Main Street.

Public Comments:

Nancy Sinclair had concerns about the water and wondered about the testing of the water. The mayor said the town was required to submit water samples every month for testing. Anytime there is a bad reading the town is required to notify the people.

Diane Borgerding. Wondered about putting cameras on Main Street to help with the speeding through town. Mayor Dorsey said that would be quite an expense.

Motion was made to adjourn by Curtis Cook and seconded by Mayor Adus Dorsey All were in favor. The meeting adjourned at 7:03.
